Thursday, August 10, 2023 The Chimes Newsletter, Village United Methodist Church

**FROM YOUR PASTOR**

Happy Thursday VUMC! Here are four things you need to know this week...

One... Have you signed up for the Village Cancer Walk? If not, details can be found in this week's edition of the Chimes. Join the VUMC Team this week! Registration can be done Sunday before or after services in the narthex.

If you're not able to actually walk, join our Prayer Team at the VUMC prayer station. Joyce Barone and Betty Gress have faithfully coordinated this for many years and welcome your support. Thank you, Joyce and Betty! And thank you, Bob Shoemaker, for providing the tent! Visit with Joyce and Betty if you want to volunteer!

Two... Thanks in part to a designated gift some time ago, the Audio/Video project in Steel Hall will soon be completed! Several months ago, new speakers and equipment were installed on both sides of the fellowship hall greatly improving our sound quality. This week, 86-inch monitors are being installed: one replaces the defunct projector in the west end and one is going up in the Searchers' class.

Three... VUMC is open for ministry! We are aware that COVID cases have cropped up again around the village and within our church family. I want you to know that as precautionary efforts during cleaning, fogging and other disinfecting action is utilized in our facilities every week.

Four... Tomorrow is the last day that our custodian, Jimmy, will be with us on staff. Jimmy is following his dream in the fishing world and becomes the new manager for GetOutdoors, a fishing and tackle store located in Bryant, on Monday. We wish Jimmy the best!

We are currently advertising the position. If you know someone interested, send them my way!

I'm looking forward to seeing you Sunday!

Chris

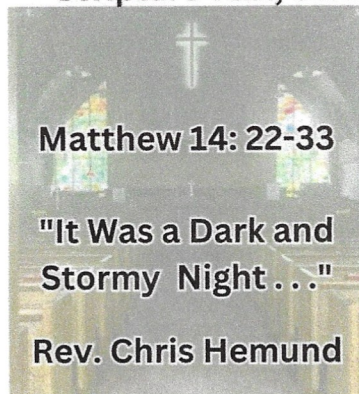

Busyness Continues

Village United Methodist Church is a very busy church.
God is seen in us through all we do.

Have you noticed that the last article in The Chimes is the **church staff** list? Before the staff list is our **Leadership Team list**. And third from the end is the **Church Weekly Calendar LINK**, which clicking the LINK will give you a printable calendar.

We have become aware that some emails are not showing the whole newsletter, and when this happens the words **VIEW ENTIRE MESSAGE** will show on the last article being seen. This is not the case on every email/email company but is on some. Just be aware, if you do not see the staff list, then you are not seeing the whole newsletter. If this is your situation, look for the words **VIEW ENTIRE MESSAGE** and click on it. This info is for when reading The Chimes.

Enneagram and Me

A few words of what The Enneagram Journey means to our congregational family.

"The Enneagram class helped me to understand myself better. I'm still a work in progress, but at least I now have a key that unlocks the door to be the person God created me to be."
