FROM YOUR PASTOR

I'll take a mulligan. I'd guess every golfer knows what these words mean. Do-over. Another shot. A re-do.

I've uttered them this week. I'd love a mulligan on this week. I swung, and it did not bounce the way I expected!

COVID has impacted many of us around the village and beyond in the last two weeks. I know of two other churches who have positive cases much like our own in addition to a few community groups.

As you likely know, I tested positive on Monday. Dealing with a bit of pneumonia the week before, I tested negative four times until a fifth test Monday came back positive.

Good news is most cases are mild, and many of our VUMC folks have bounced back well. I pray that continues to be the case!

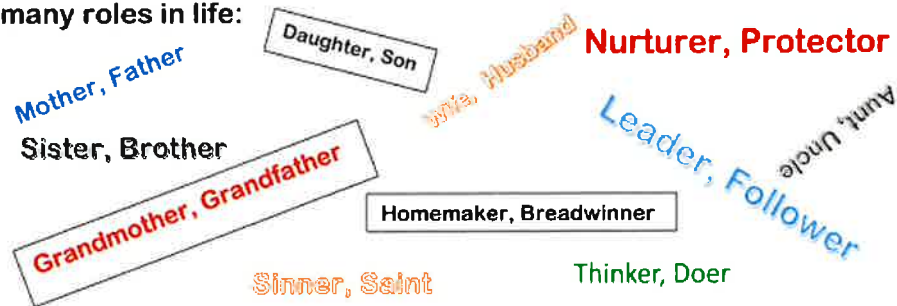

Better days are ahead for all of us! In the meantime, how grateful I am to our associate pastor, Regina, and our wonderful staff! Regina will share the message with us this weekend, and I am excited at what God is placing on her heart! I know you will be, too!

Hold steady, friends, keep faith, and stay well. God is good!

Chris

Who are you? Who are you NOT?

Who do you say that you are? We all have and have had many roles in life:

All these roles, and many others, are important, but who are you in reality underneath all your roles? The answer is this:

YOU ARE A BELOVED CHILD OF GOD!

I invite you to join me for an eleven-week DVD/workbook study, *The Enneagram Journey*, where you will learn about your True Self, your Essence, which God sees when God looks at you and calls you GOOD because you were made in the very image of God. You will have the opportunity to learn about personality traits that you have unknowingly used to cover your True Self and how to let them fall away to become who God created you to be.

If you are interested in this experience of spiritual growth, contact me at maryanne@villageumc.net or sign up at the Opportunity Center. We will meet on Thursday afternoons, 1:00-3:00, beginning September 7th. The cost will be \$10.00.

Enneagram and Me

A few words of what The Enneagram Journey means to our congregational family.

"I have been a part of 3 Enneagram studies, and it helped me tremendously. I not only learned a great deal about myself, but it helped me understand others as well. The greatest benefit I received was that I learned that people in my number spend too much time thinking and have trouble "doing." I learned to make lists and get things done in my life, and I feel so good about that."
